Good morning, Nicole -- I'm going to be sending you an email connecting you with Penny Newman, Executive Director, Center for Community Action and Environmental Justice (and Stringfellow fame). She's the one who raised the Ag Park issue to me. She'd like the opportunity to talk with you (or someone else, if you prefer) about her concerns on this site. We do a lot of work with Penny and she's 'solid' so it don't anticipate it would be anything more than hearing her perspective. I just wanted to give you a heads up before I the email to the two of you providing your contact info.

Moutoux, Nicole [9:12 AM]:

Ok - thanks for heads up. At this point, it looks like EPA hasn't been involved at all with this site.
